### **Dedicated London Pricing**

The technology industry is fast paced, therefore, it is **best to speak with your Dell account manager** to receive the best value. We are aware that IT budgets are challenging, however, our dedicated London Education team are committed to helping schools make the most of their IT budgets.

### **Expert Advice**

We have a dedicated Technical Advisor in our team that is able to provide advice on products such as virtualisation, storage and many more. He is able to ensure that we meet your enterprise needs with Dell's best value.

### **Expert Support**

Dell has a number of support options to ensure that your equipment is always at its best. Speak with your Dell account manager who will explain more about our support options.
