

Ealing Education Centre

Ealing Education Centre is Ealing's professional development centre for school staff and governors and most of the centrally organised training and consultative meetings are held at the centre.

The centre offers:

- Two computer suites with internet access
- Five well equipped training rooms suitable for training, meetings, conferences, interviews etc
- A specialist interconnecting suite with two-way mirror and audio for Reading Recovery and similar activities
- All rooms have a PC and multimedia projector, whiteboard and flipchart.
- Interactive whiteboards in both computer suites and in three other training rooms

Additional equipment available to support events includes: CD/tape players, visualiser, video presenter, digital camera, digital video camera etc.

Events are supported by a reception and message taking service. Refreshments are available at all times.

Ealing CPD Online

www.ealingcpd.org.uk

Details of Ealing's central training programme for school staff and governors can be viewed and booked online at www.ealingcpd.org.uk All Ealing schools have registered on the website and have designated CPD Leaders who can authorise and monitor their school's training with Ealing.
