Ealing Y6 – Y7 Transition

You can upload your Y6-Y7 Transition Units files for High schools to access by clicking on the Documents Folder on the left.

But before you do this please make sure your files are named in a way which shows your school and the subject.

For example: **stjohnfisher-literacy** or **ourladyvisitation-maths**

If you're uploading lots of files - feel free to create a folder with your school's name.

If you need guidance on how to do all these things click on the Word icon below to open a guidance document
