

Ealing Learning Partnership

No learner left behind - no school left behind

What is ELP?

Ealing Learning Partnership (ELP) is a partnership between schools and the council to promote educational excellence and wellbeing for all learners through collaboration and innovation.

Feedback from Ealing school headteacher about the partnership

"...the greatest advantage is working with a fantastic range of colleagues and provisions in a highly ambitious local context despite unprecedented difficulties, leaders have relentlessly pursued partnership working"

ELP 2023 - 2026

Our core values and the future

Take a look at our 5 minute video about our core values and the future.

Working in partnership

Our shared commitment to promoting educational excellence, inclusion and wellbeing for all our learners 2026.

The document aligns local political commitments (Labour manifesto pledges) with ELP's 6 aims and articulates the difference we want to make as ELP, statutory services, traded services

Working in partnership - locality vision and aims 2026		
 <p>Ealing Council Manifesto pledges 2022 - 2026 Creating good jobs, Tackling the climate crisis, Fighting inequality</p>	 <p>Ealing Learning Partnership No learner left behind - no school left behind 2021 - 2026</p>	 <p>Ealing Council and ELP goals combined Promoting educational excellence, inclusion and wellbeing for all our learners 2026</p>
<p>All future short - term work of our children and young people of all backgrounds get the best start in life from their earliest years in a great education</p> <p>We will bring our schools closer together through our mutual learning partnership alongside pupils, parents, teachers and the local community</p> <p>Ensure that every child in Ealing continues to have access to good and sustainable schools in their local community</p> <p>'To take a step' - bringing the entire borough together to ensure that every child can expand their horizons and experience new cultural, cultural and learning opportunities</p> <p>Do everything we can to help children catch up on their education including expanding access to breakfast and after school clubs so that every child is supported</p> <p>Our Teachers' - ensuring that every child in our learning can fulfil their dreams and potential - government access to education, training jobs</p> <p>Expand our support for children and young people with additional needs, acting quickly to ensure that families are supported to identify at the earliest possible stage the support they need and ensure every child to feel safe and welcome within their community as they grow into adulthood</p> <p>Combat the rise of online bullying, promoting online safety, pushing for essential access to child and adolescents mental health services</p> <p>Tackling inequality and crime - collectively focusing on reducing poverty and inequality for those that need most support</p> <p>Enable our equality in our borough - launch the independent citizens' school to help partners to address the challenges we face together by demands for Black Caribbean learners - focused leadership for equality, improve education, reduce exclusion, parental engagement, leadership development (initiatives)</p> <p>Continue to take tough action to prevent violence against women and girls and end female genital mutilation</p> <p>Reduce the number of young people's lives being ruined through entering the criminal justice system - preventing youth violence, rapidly reducing exclusions</p> <p>Healthy lives - preventing and enhancing the physical and mental health of all, supporting our residents to remain independent and resilient</p> <p>Enable the high health inequalities within our communities that the partners has highlighted, ensuring 11 aims to enable people to live healthy, active, independent lives</p> <p>Secure living incomes and good growth - making sure that growth makes Ealing a great place to live</p> <p>Secure 2026 new income agreements, supporting more alternative routes into good, well paid work for residents</p> <p>Support residents with the toughest barriers to employment like disability, young people with SEND, get good quality work and progression opportunities</p> <p>Compromise and building longer, sustained support for children on how school - means</p>	<p>Learning and achievement</p> <p>Ensuring every teacher, inspiring great learners, and ensuring every leadership to ensure outcomes for all learners</p> <p>Recent goals published autumn 2023</p> <p>SEN and inclusion</p> <p>Working together to improve outcomes for children with additional needs</p> <p>Recent goals published autumn 2023</p> <p>Engaging and well-being</p> <p>Working together to improve children and young people's safety and well-being in the heart of culture and practice</p> <p>Recent goals published autumn 2023</p> <p>Progression and pathways</p> <p>Every young person on a pathway to sustainable employment/bulldozing the</p> <p>Recent goals published autumn 2023</p> <p>Recruitment and retention</p> <p>Attracting, developing, and retaining the best teachers</p> <p>Recent goals published autumn 2023</p> <p>Sustainable schools</p> <p>Supporting schools to spend well or less - efficiency through creative solutions</p> <p>Recent goals published autumn 2023</p>	<ul style="list-style-type: none"> • A great school for every learner • Educational outcomes that are significantly above the national at every published assessment point with progress measures above the national for every group • Significantly improved outcomes for Black heritage learners and other under-represented groups as a result of explicit leadership for race equality • Strong local models and evidence to meet the learning needs of our pupils and sustainable communities • Successful and externally validated professional accountability models between schools that support all schools to continuously improve • Strong music, arts and cultural experiences and pathways for all • Positive experiences and outcomes for all children and young people with additional needs as a result of system-wide commitment to inclusion practice • Robust of inclusion practice in schools and settings through a consistently applied published approach ensuring that children's needs are met at earliest stage • Significant reduction in government exclusions following area-wide commitment to ensuring full-time appropriate education for all children and young people with social emotional and mental health need • Creative, consistently implemented approaches to early intervention in schools, and settings support learners faster and secure better value for money • Operational at every level of service development ensuring confidence of parents and carers • Exemplary safeguarding practice in all schools and settings and high-quality partnerships between schools and social care to enable that leaders • Robust and sustainable external school models that support mental health and well-being alongside clearly understood school routes to coordinated support services • Every young person on a suitable pathway to sustainable employment through at least one career qualification offer and strong partnerships with further education, skills and employment • Every young person with additional needs on a supported employment pathway wherever possible • Significant increase in Black Caribbean learners on Level 3 courses and on track for higher education • Every primary and secondary aged learner has access to high-quality careers education and cultural enrichment opportunities • Strong and sustainable opportunities for children and young people with additional needs to engage with and contribute directly to their communities • Recruitment and retention in schools is significantly stronger than national figures at a combination of high-quality services, roles and values, partnership working and direct support to schools • Number of Black and Asian teachers in leadership roles has significantly increased and every school has a clear policy for improving diversity in leadership • Excellent partnership working across all colleagues, planning action, supports, fair access, choice and diversity, and long-term sustainability and sufficiency • Excellent planning and provision for all learners with additional needs across the majority of children and young people's needs are met locally in appropriate provision • A range of successful school-to-school collaboration models are in place to share effectiveness and support longer-term sustainability • High-impact cost-saving opportunities, resulting from full support school sustainability
   <p>No learner left behind - no school left behind</p>
