Support for ECTs and mentors in Ealing

From September 2023, new regulations came into force, and the AB service is offered by Teaching School Hubs (TSH). So, schools will be able to access AB services from a TSH that makes the most sense for their circumstances. Here is more information on [Appropriate Body Services from September 2023](#).

Our local TSH is Teach West London (TWL) and they will provide AB services from September 2023. For more information, please see [TWL flier](#).
