

Race equality guidance - seven education priorities

Part of the [Ealing's race equality guidance for educational settings](#). This addresses the seven demands as set out in [Ealing's Race Equality Commission report](#).

We will suggest how schools and early years leaders can proactively respond to each demand. Here are the seven education priorities:

1. **Attainment** - [Rapidly close the **attainment** gap for Black Caribbean pupils](#)
2. **Exclusions** - [End the disproportionate rate of **exclusions**](#)
3. **Curriculum** - [Accelerate progress with changes to the **curriculum**](#)
4. **Staff training** - [Make training for teachers on race equality and unconscious bias part of core **training**](#)
5. **Parents** - [Empower **parents** to play an active role in their child's education](#)
6. **Accountability** - [Every school should have a **lead** for race and diversity who is identified to parents](#)
7. **Leadership** - [Increase the number of Black teachers in **leadership** roles](#)
