

Academies

Information for schools interested in becoming an academy and information for existing academies, LAs and sponsors can be found on the DfE website

[Academies \(DfE website\)](#)

Documents that schools converting to an academy will need as they go through the conversion process.

[The National College for Teaching and Leadership](#)

The National College has developed an academies online resource to help schools that are considering academy status.

It sets out the implications and opportunities, and provides support in the form of case studies, opinion pieces and the experience of practitioners who have undertaken the journey and whose schools are now up and running as academies.
