

Partnerships

Advisory committee for mathematics education (ACME)

An independent committee which acts as a single voice for the mathematical community, seeking to improve the quality of education in schools and colleges.

Association for teachers of mathematics (ATM)

ATM was established to encourage the development of maths education so that it more closely relates to learners' needs.

Mathematical association

The mathematical association aims to bring about improvements in the teaching of mathematics and to provide a means of communication for mathematics students and teachers.
