

Belief in the community

The pluralism project

Website of a Harvard University project looking at the effects of religious diversity on communities, with useful links and resources.

Three Faiths Forum

Organisation facilitating interfaith education programmes that help young people become confident, sensitive and effective communicators when discussing faith and beliefs.

West London Humanists and Secularists

Local group for atheists, agnostics, humanists, secularists, rationalists, skeptics, freethinkers and like-minded people to meet and discuss social, political, religious, philosophical, scientific, artistic and other issues.
