

Speech and language

You can download the speech and language therapy referral form and access language and communication resources from this page

[Primary schools referral form speech and language therapy \(word\) 2016 version](#)

Note: Schools should seek the permission of the child's parents before making a referral.

About speech and language

Speech, language and communication are crucial to every child's ability to access and get the most out of education and life.

Children with speech, language and communication needs (SLCN) are among the most vulnerable and most in need of effective support to reach their potential.

The following programmes and resources are available to support children's SLCN needs:

Every child a talker

Every child a talker (ECaT) is a national strategies programme, which aims to:

- Raise children's achievement in early language
- Raise practitioners' skills and knowledge
- Increase parental understanding and involvement in children's language development.

Documents for further information and guidance

[Launch ECaT \(pdf\)](#)

Detailed information of the ECaT programme.

[Quality indicators for supporting all children's communication development \(pdf\)](#)

Ealing's toolkit for improving children's outcomes through developing their language and communication skills.

[Record of communication and language development \(word\)](#)

This national strategies tool can be used to track children's progress of their language development.

National strategies ECaT guidance for lead practitioners:

- [First instalment \(pdf\)](#)
- [Second instalment \(pdf\)](#)
- [Third instalment \(pdf\)](#)

Inclusion development programme (IDP)

Ealing's programme for speech, language and communication needs.

The IDP aims to support schools in raising attainment of pupils with special needs, by increasing staff awareness of quality first teaching strategies to which effectively meet pupil's needs.

The programme can be accessed through elearning.

The intention is that the programme is driven by headteachers and leadership teams.
