
Health improvement team conference: Talking about health - Approaching difficult conversations with confidence

Monday, 21 January 2019, 13:00 - 17:00

4 hours

Location Double Tree at Hilton Hotel, Ealing

Ealing Council's Health improvement team's annual half day conference for schools is for headteachers, deputy headteachers, SENCO and PSHE co-ordinators working in primary, secondary and special schools.

This event will provide staff with tips, advice and knowledge to increase their confidence and enable them to initiate difficult conversations with pupils and parents about health issues, including weight, FGM, sexual identity, suicide and self harm.

There will be practical workshops as well as an inspirational presentation from Hoda Ali, community outreach manager, project leader of the Ealing community led approach to ending FGM, and survivor of FGM.

Refreshments will also be provided.

Click on the '**book now**' button below to book a free place.

This conference is free to any school who bought back one of our health improvement packages. Early Bird tickets are £50 for all other schools before 1 January. General Admission tickets are £80 for schools from 1 January onwards. An invoice will be sent to your school after the event. This event is free to cancel before the 7 January. Tickets are non refundable thereafter.
