The draft of the KS1 units for the new RE Agreed Syllabus are now ready and we would like to invite schools to a meeting to discuss and review the materials on Monday 9 December 2019 at 3:30pm.

Reverend Andrew Williams from Roehampton University, who has been writing these materials, will join the groups to answer questions and hear feedback.

A copy of the draft syllabus has been sent to schools so that you can read it in advance of the meeting.

Please book a place through CPD online using code SCH 20/284 or via the 'book now' link below.
