

School business manager virtual conference 2021

Wednesday, 3 March 2021, 09:30 - 14:45

5 hours 15 minutes

Location Virtual

The school business manager conference is a popular event usually attended by 80+ delegates from many different schools and boroughs.

The theme of the event this year is '**by working together, we can find creative solutions**'.

There will be opportunities for break out rooms and for the usual Q & A sessions so, whilst Covid has made the event different this year, we are confident that it will still be a successful day and look forward to your school joining us.
