

## Facilities

Ealing Council provides facilities services to schools from different sources.

The services for schools section outlines the comprehensive range of support available to you.

The support materials for facilities, formerly school safety and site management, are listed on this page.

## Choose from the following

### Buildings and assets

Information on asset management, insurance, repairs, maintenance, security and more.

### Catering and food

Information on school meals in Ealing.

### Critical incident manual

Guidance on how to respond to a critical incident.

### Emergency planning

Information on educational visits, severe winter weather and reporting school closures.

### Health and safety

Information on health and safety related issues for schools and occupational health.

### Photography and publicity

Advice on taking photos or video recordings at school and getting publicity for your school.

### Sustainable schools

Information and resources on recycling, carbon reduction and the Greenredeem project.
