# School training programme on health and safety

Health and safety training matrix

Schools can view and book health and safety training via Ealing CPD online

# Online educational visits coordinator (EVC) training

Schools can now access online EVC training via our Outdoor Education Adviser who has created a 'blended' course for schools.

The first part involves carrying out an e-learning module, followed by receipt of an EVC Workbook which is physically posted out, and the second part is a half day zoom two-way session online.

### Discount code

Ealing schools can log in with your EGfL user account to access a 10% discount code. Schools should not share this discount code with any schools outside of Ealing. EVC training should be refreshed within 3 years.

### Contact

Contact Raj Chowdhury regarding training:
