
Commercial hub and corporate contracts

Corporate contracts

Schools will have written financial procedures already that should have regard to purchasing issues such as financial limits, purchasing thresholds, effective separation of duties and development of an audit trail.

The buying notes listed below are the corporate contracts used by Ealing Council and are available to schools using the same terms and pricing.

You will need an EGfL user account to access these.

Commercial hub team

Commercial and procurement provide advice and guidance on acquisition of goods, services or works from external suppliers. They are also responsible for the management and delivery of corporate contracts.

Email: procurement@ealing.gov.uk
