

Children with a social worker (CWSW) report

The children with a social worker (CWSW) report is available for schools and includes the name of all children currently allocated an Ealing social worker attending your school.

About the report

School information has been matched into social care data using the Ealing automatic pupil data feed (for participating schools). For schools who are not signed up to APF, your school has been matched based on last complete school census return.

There is a guidance tab within your report, please read this fully for additional information.

The report can be accessed via your school reports page and is titled: Children with a social worker (CWSW)

We aim to provide an updated list on a monthly basis to schools via your [school reports page on the EGfL](#).

Included in May's update is an additional tab with historical records of children previously with an Ealing social worker.

Feedback

This is a new report and we would welcome any comments or feedback you may have.
