
Performance tables

Ealing performance tables for 2018/19 are available on the [DfE website](#) or via the links on this page:

The Government has [announced](#) that it will not publish any school or college level educational performance data based on tests, assessments or exams for 2019/20. This update, published [here](#), clarifies what this means for the way school and college accountability will operate for 2019/20.

This page will next be updated when 2020/21 performance tables data is available (Autumn 2021).

Key stage 2

The proportion of primary school pupils achieving the expected standard or above in reading, writing and maths was 71% in Ealing in 2018/19. The average progress score for Ealing pupils was 0.9 in reading, 0.6 in writing and 1.6 in maths. This means Ealing schools are performing 6% points above the national average in terms of raw results and significantly above the national average in all subjects for progress.

[Ealing's 2019 key stage 2 results](#) are published by the Department for Education.

GCSE and equivalent

The average progress 8 score for Ealing pupils in 2018/19 was 0.58 and the average attainment 8 score was 50.9. The proportion of pupils achieving GCSE grades 5 and above (or equivalent qualifications) in English and maths was 54% in Ealing in 2018/19. This means Ealing is above the national average in terms of raw results by 11% points and above the national average for progress by 0.61 points. In terms of progress 8 this places us 1st out of 150 local authorities nationally.
