Ealing performance tables for 2017/18 are available on the DfE website or via the links on this page:

**Key stage 2**

The proportion of primary school pupils achieving the expected standard or above in reading, writing and maths was 68% in Ealing in 2017/18. The average progress score for Ealing pupils was 0.5 in reading, 0.6 in writing and 1.4 in maths. This means Ealing schools are performing 4% points above the national average in terms of raw results and significantly above the national average in all subjects for progress.

Ealing's 2018 key stage 2 results are published by the Department for Education.

**GCSE and equivalent**

The average progress 8 score for Ealing pupils in 2017/18 was 0.53 and the average attainment 8 score was 50. The proportion of pupils achieving GCSE grades 5 and above (or equivalent qualifications) in English and maths was 52% in Ealing in 2017/18. This means Ealing is above the national average in terms of raw results by 9% points and above the national average for progress by 0.55 points. In terms of progress 8 this places us 4th out of 151 local authorities nationally.

Ealing's GCSE and equivalent results are published by the Department for Education.

**Post 16**

The average points per academic entry is now higher in Ealing (33.33) than in all schools and colleges nationally (32.39) in 2017/18. The average points per applied general entry was also higher in Ealing (30.32) than nationally (28.645). Progress in English and maths at level 2 was above the national average for Ealing pupils; with the proportion of Ealing post 16 leavers (in 2016) who stayed in education or employment for at least 2 terms after post 16 study now 1% below the national average.

Ealing's post 16 results are published by the Department for Education.
