

Local authority reports

School reports

The research and data team produce a comprehensive range of reports for each school, analysing, interpreting and presenting individual schools' data to support school improvement. These individual reports supplement nationally produced assessment tools such as Analyse School Performance, Fischer Family Trust, Assessment manager's performance analysis tool and the published performance tables.

Where do I find the school reports?

Logged in school staff, governors and local authority officers (with the correct permission) can view the reports. Once logged in go to the View tab and select school name to view school reports. Comply with [data protection](#) rules. If you are unable to locate a report please contact the schools data team by email at schoolsdatateam@ealing.gov.uk

Log in to **EGfL**. Under the **View** tab select school name to see **school reports**

The screenshot shows the EGfL user interface. At the top, there are three tabs: 'View' (highlighted with a red box), 'Edit', and 'School Order History'. Below the tabs, the user's profile is displayed for 'Lilac Brown's'. The profile includes the name 'Lilac Brown', the email address 'head@purple.co.uk', and the group 'Purple Primary School' (highlighted with a red box). Below the profile, the school's details are listed: 'Purple Primary School', 'Magnolia Crescent', 'Greenford', 'W5 1AB', 'United Kingdom'. Contact information is provided: email 'info@purple.co.uk', website 'www.purple.co.uk', and phone number '020 8888 1234'. At the bottom, there is a 'School reports' button (highlighted with a red box) with a dropdown arrow pointing to '2019/20'.

How do I get access to school reports?

An EGfL user account is required to view school reports. [Register for an EGfL user account](#).

* Your **headteacher needs to give their permission** to grant you access to school reports. So, please ask them to email egflwebteam@ealing.gov.uk to confirm this.

LA reports

The research and data team also produce a series of reports presenting data and analyses relating to all schools or at a local authority level. These reports supplement information published nationally by the [DfE](#) and Ofsted comparing local authorities and looking at national trends.

The reports are for use by school staff, governors and local authority officers and are available below ([login to EGfL](#)):
