

SING (schools information networking group) forums

The SING forum is an information networking group run by the bursarial team on a termly basis providing information and updates on a range of topics relating to maintained schools in Ealing.

Who attends SING

The SING gives school support staff, mainly school business managers, finance staff, admin staff etc. the opportunity to network with other colleagues, share ideas, ask questions and receive updates on a variety of subjects from various departments within the local authority.

Departments that are usually represented include:

- Bursarial support services
- Early years
- High Needs / SEN
- Schools accountancy

Please note, any other departments from across Ealing with important updates for schools are also invited to attend each forum. These departments often include Audit, HR, iTrent/Payroll, Schools Data Team etc.

Attendees are provided with an agenda prior to the SING taking place. During the SING attendees are given the opportunity to ask questions on what has been discussed or on other areas relating to the specific departments.
