

Equality Act 2010

What is the Equality Act 2010?

The Equality Act 2010 provides a single, consolidated source of discrimination law, covering all the types of discrimination that are unlawful. The Act should make it easier for school leaders and governors to understand their legal responsibilities and tackle inequalities in education.

The Act covers all aspects of school life to do with how a school treats pupils and prospective pupils, parents and carers, employees, and members of the community. Everything a school does must be fair, non-discriminatory and not put individuals or groups of people at a disadvantage.
