

Occupational health

As part of our ongoing commitment to maintaining efficient and well-managed services that meet the current and future needs of our workforce, we are pleased to announce that all employees will now be provided with occupational health services by Medigold Health.

Medigold Health's suite of health and wellbeing services cater for every aspect of our corporate health strategy and will enable us to take good care of our employees and keep them in work, safe and well from the moment they join our organisation.

Medigold Health has built an excellent reputation for delivering robust, consistent and valuable occupational health advice. As one of the UK's leading suppliers of corporate wellness solutions, they offer a wide variety of products and services:

- New starter pre-placement screening
- Sickness and absence management referrals
- Health surveillance and statutory medicals
- Fit to Work medicals
- HGV, LGV, forklift truck and driver medicals
- Alcohol and drug testing, laboratory and support services
- Employee assistance programmes
- Stress management, counselling and CBT
- Wellbeing and health promotion programmes
- DSE, workplace and workstation assessments
- Physiotherapy
- Ill health retirement and pension advisory services
- Occupational and travel vaccinations
- Immunisation screening and advice services
