

Ealing Primary Centre outreach service

04 Apr 2018

The new Ealing Primary Centre (EPC) outreach service has launched and the primary behaviour service is now closed.

The service offers schools the option to buy a variety of specialist teacher and mental health training, assessment and intervention.

Details of EPC support packages are available on the service page ([related services link below](#))

The EPC outreach referral form is available on the following link: [Ealing primary centre referrals](#)
