Ealing's Local Offer website is an online resource for children and young people aged 0-25 with special educational needs or disability.

It's everything you need to know about local services and provision, including:

- Support in Education
- Education, Health & Care (EHC) Plans
- Health & Wellbeing
- Specific Conditions
- Family Support
- Travel Assistance
- Money and Benefits
- Preparing for Adulthood (for ages 14-25).

The Family information service manages the Local Offer website. We regularly update our information to ensure they meet the needs of children, young people and families that use it.
