

JTA winter noticeboard competition

01 Nov 2019

The winter noticeboard competition is a great opportunity to update or start a JTA noticeboard. The [competition guidelines](#) are clear and easy to follow.

Why should your JTAs have a noticeboard we hear you ask?

- It's a great way to promote your school travel activities and get more people interested in travelling sustainably
- Gain wider recognition in the school and externally for the good work you are doing to promote active travel
- Designing and creating it is a fun activity for your JTAs
- This STARS activity gets you closer to accreditation, or helps you to maintain if you are already accredited
- JTAs have a chance to win one of our awesome prizes for your school!

So what should the JTAs include on their noticeboard?

- Information about your STARS travel plan/accreditation
- A section about your JTAs
- Information about past active travel events
- Information about future active travel events.

What now?

Once you have read [the guidance](#), all you need to do is find the JTAs somewhere prominent for their noticeboard; somewhere the whole school community can see it, then simply create your noticeboard with the help of your JTAs.

Send us a photo (or several) via email to the address below by the end of **Wednesday 11 December 2019**. One entry per school. Winner(s) will be announced by 17 December 2019.
