

Virtual PSHE and RSE training

30 Apr 2020

Thank you to everyone who completed our recent survey, it has really helped us to shape the support and resources we develop during these unprecedented times.

Feedback from this survey showed that PSHE leads were interested in some virtual training. So with this in mind, I will be running three virtual training sessions over the coming weeks. These sessions will be one hour in length, free to all schools and will be run through Microsoft Teams.

The training

- Virtual walkthrough of revised PSHE scheme of work. Primary Schools only: 5 June 11am – 12pm
- Overview of Relationships Education lessons. Primary Schools only: 2 June 2pm – 3pm
- Preparing for statutory Relationships, Sex and Health Education during COVID-19 closures: 9 June 11am – 12pm

How to book

If you would like to book your place on any of the above training, please email me (see contact details) your name and requested training(s). I will then email you back a confirmation.

Each training is limited to 15 people per training. If there is more demand for a training, I will run additional sessions.

The deadline for booking training is 7 May 2020.

How do I attend the training?

Once you have booked your place on the training, you will be sent a Microsoft Teams link.

You just need to click this link at the training time to access the live virtual training. Additional instructions will be sent with the link.
