

DfE funding for training on digital platforms

20 Jul 2020

In case you missed this, we would like to highlight the links below where schools can find out full details about:

- EdTech Demonstrator Programme launched to help schools and colleges provide education remotely and
- DfE funding available for set-up and training on digital education.

Schools can apply for this funding through the Key for School Leaders:

- <https://covid19.thekeysupport.com/covid-19/deliver-remote-learning/make-...>

Schools and colleges can register their interest to receive peer-led advice and training on the use of online platforms here:

- <https://edtech-demonstrator.lgfl.net/>
