

## Ealing's CPD and training continues to take place via Teams or Zoom

16 Oct 2020

Ealing's CPD and training programme continues to be run virtually via Teams or Zoom.

Virtual training is proving very effective for school staff and governors. The number of bookings and attendances remains high. Evaluations indicate virtual events as being 99% rated good or excellent.

### Let us have your feedback

However, we want to ensure the programme is relevant and up to date in light of COVID-19.

We would very much welcome feedback from schools on the CPD, ELP and HIT programmes:

- Are there any events missing?
- Do they meet schools needs?
- Do the event times work for school staff?
- Would your school be interested in sharing best practice or running an event?

Please contact [tbirch@ealing.gov.uk](mailto:tbirch@ealing.gov.uk) for further information and guidance
