

Free DfE webinars on approved frameworks

25 Nov 2021

The Department for Education (DfE) is hosting webinars on how using our approved frameworks could help your school get value for money.

If you are responsible for buying goods and services for your schools check out the range of informative webinars that could help you save time and money.

All sessions are free, use the Eventbrite links below to join the Schools Commercial Team and take the opportunity to ask providers the questions you may have about legal services, energy and cybersecurity.

Webinar dates and booking

The sessions are available on multiple dates. Find out more and book a place on the links below:

- [Legal services 8 December 2021](#)
- [Energy - multiple dates](#)
- [Cybersecurity - 9 December 2021](#)
- [Risk Protection Arrangement – multiple dates.](#)

Further information

For the latest on the DfE range of webinars, check out the events tab on the [Buying for schools LinkedIn](#) page and follow the [Buying for schools](#) blog.
