

## 2022-23 CPD programme available on CPD online from 4 July

21 Jun 2022

Ealing Learning Partnership has been working closely with Ealing's teaching school alliances to put together an excellent programme of training and professional development for all school staff and governors for 2022-23.

Most of this programme will be available to view and book online from Monday July 4 at [Ealing CPD online](#)

We are proud to be able to make such an exciting and enviable opportunity available to our schools to enhance the chances of all our young people.

The programme will be available from the LA, schools, training school alliances and external providers.

Some programme areas where details have not yet been confirmed will be added and published in late August.
