

## School attainment (link partner) data summary now available

15 Oct 2023

Your school's attainment summary is now available to download from your EGfL school page (2022/23). This report was previously referred to as a link officer summary.

These one page summaries detail a school's primary attainment across all measures (EYFS, Phonics, KS1 and KS2) over a three-year period, against National performance.

Attainment years displayed for comparison are 2019, 2022 and 2023. Any non-statutory data from the COVID-19 impacted years has been excluded.

*Please note: if you cannot see your summary upon the arrival of this news item, please wait 24 hours before contacting the schools data team. We expect all summaries to be uploaded by Tuesday afternoon.*
