

## Ethnic group attainment report 2023

07 Dec 2023

The 2023 ethnic group attainment report summarises the performance of and progress made by pupils from different ethnic groups at each key stage in Ealing. Data is presented at a detailed level and for broad ethnic groups.

The report is based on 2023 data and is prefaced by a key points summary. Please note that data for key stage 2, key stage 4 and key stage 5 is provisional at this stage and will be updated with final data in version 2.0 (although changes are only expected to be relatively minor).
