Benefits of cycling

These courses are designed to nurture not just cycling skills but also boost your child's confidence. The supportive environment encourages them to surpass their limits and achieve new milestones.

By participating, children are contributing to building a community of skilled young cyclists in the local area.

Cycling is not only a great workout but also a fun activity. This half-term event offers a healthy and enjoyable way for children to spend their break, fostering both physical activity and entertainment.

Join us for an exciting and enriching May half term experience!
