

## Get involved: New family support and engagement / pastoral network for all schools

15 Jul 2024

**Calling all:** parent support advisers, parent ambassadors, family support workers, learning mentors, parental engagement leads, pastoral leads, pupil/family workers and anyone else with a key role providing information and direct support to families outside the classroom.

### New family support / pastoral network for all Ealing schools and maintained children's centres

We are creating a new network to enable a better flow of information on services across Ealing and provide training to key members of staff working with families.

Our network will:

- be guided by schools
- be led jointly by schools and Ealing Learning Partnership with input from wider LA services
- create a stronger link between key council services and schools – for example the Cost of Living Team
- provide schools with: regular email updates; In-person half termly network; An exciting training programme

### Get involved

**Workshop: Thursday 26 September 2024, 10am-12pm** at the Ealing Education Centre

Please come along to our first meeting and tell us what you need from the network to help you better support your families.

This workshop will give you the opportunity to shape the network for the coming year by letting us know what information and support you would like, how you would like to receive it and inform the training programme.
