

## Prince's Trust Team programme

09 Jul 2024

**Action for high schools:** Please display poster on noticeboards / share with students.

Harrow College is working in partnership with the Prince's Trust to deliver the Team programme.

### About the Prince's Trust Team programme

The Team programme offers young people aged 16 - 25 the chance to experience and take part in many diverse activities, including options to:

- take on your own group community project
- take part in an action-packed residential trip
- get two weeks' work experience
- develop your English and Maths skills
- spend some time developing your CV and interview skills.

### Further information
