Action for high schools: Please display poster on noticeboards / share with students.

Harrow College is working in partnersip with the Prince's Trust to deliver the Team programme.

About the Prince's Trust Team programme

The Team programme offers young people aged 16 - 25 the chance to experience and take part in many diverse activities, including options to:

- take on your own group community project
- take part in an action-packed residential trip
- get two weeks' work experience
- develop your English and Maths skills
- spend some time developing your CV and interview skills.
