

Do you have a venue for hire?

18 Oct 2024

Ealing's culture team are launching a venues for hire section on www.ealingculture.org

The public and organisations can search for spaces to hire throughout the borough. We hope this new resource will support venues and encourage more activities to take place in the borough too.

Add your venue for hire

To include your venue for hire, complete this form: [Add your venue for hire – Ealing arts and culture](#)

If your venue has multiple spaces you will need to submit a separate form for each space. You can also submit a photo.

It is hoped that this resource will launch in November, especially once more venue details are provided. This resource should grow over time and will be promoted via council media channels.

Please do forward this news item to any other organisation you know who has a space they hire out which meet regulations.

We look forward to receiving your information and please don't forget to keep listing your events on www.ealingculture.org
