

## Free support for active travel initiatives

24 Oct 2024

Are you looking to promote active travel at your school?

Is your school in need of safe, secure cycle parking?

Here's an exciting opportunity you won't want to miss!

The [Cyclehoop Education Fund](#) is offering free support to schools across the UK to improve their cycling facilities. This initiative is designed to equip schools with modern cycle parking solutions, making it easier for students to embrace healthier, more sustainable ways of getting to school.

### Key points

- to provide schools with modern cycle parking solutions
- open to all primary and secondary schools in the UK
- applications close on 15 November 2024: [Cyclehoop Education Fund: Application Form](#)

### Support on offer

The fund helps schools by installing customized, modern cycle parking facilities tailored to the needs of each school. Whether you need a small or large installation, this initiative aims to foster a culture of active travel among students.

### Don't miss out!

The application deadline is approaching fast—make sure your school applies before 15 November 2024 to take advantage of this free opportunity. [Apply now!](#)
