

Grown Out of It - Buy and sell second hand school uniforms

17 Oct 2024

Grown Out Of It is designed to assist parents and schools across England by facilitating the reuse and recycling of outgrown uniforms.

Our initiative aims to reduce waste and support families, aligning with the broader goals of sustainability and social responsibility in our education system.

Through our online platform, schools can:

- promote environmental awareness through uniform recycling initiatives
- provide families with affordable clothing options, easing financial burdens
- help reduce waste and contribute to local and national environmental targets.
