

## 16 Days of Activism - Ealing's calendar of events

22 Nov 2024

The global 16 Days of Activism is an international campaign to end violence against women and girls (VAWG).

The campaign runs every year from 25 November, the International Day for the Elimination of Violence against Women to 10 December, Human Rights Day.

This year we are challenging violence against women and girls in all its forms, as well as abuse against survivors of all genders and identities.

We are holding and promoting a calendar of events throughout the period with workshops, training, in person advice stalls and talks in collaboration with:

- ForwardUK
- Advance
- Southall Black Sisters
- CGL
- Galop
- EHCVS
- Southall Community Alliance
- the Police and a range of council services.

### Join our campaign

Ealing invites everyone to join this campaign by signing up and attending events during the 16 days from our attached calendar.

The calendar can also be found on our dedicated website - [Get Involved - Safer Ealing](#). This calendar will be updated with further details and events as they become available.

Most events are open to all residents, professionals and those who live and work in Ealing. Some events are only open to voluntary/community sector (VCS) organisations and/or professionals and this is highlighted in the calendar.
