

## Bring active bystandership into your school with mentors in violence prevention (MVP)

04 Nov 2024

Are you working directly with pupils, leading a pastoral team, working as a head of year or a deputy head for inclusion and behaviour?

Do you want all staff and pupils to have the knowledge, skills and confidence to recognise, respond to and safely intervene in situations involving antisocial behavior and gender-based violence?

By fostering an understanding of respect, equality, and empathy, mentors in violence prevention (MVP) aims to empower students to become active bystanders who can challenge harmful behaviours, promote positive interactions and contribute to a safer, more inclusive school environment.
