### Anti-Bullying week toolkit for staf

Anti-Bullying Week 2024 is Monday 11 - Friday 15 November, with the theme: Choose Respect.

It's not just pupils who are affected by bullying, staff can also experience it in the workplace. So how can we create safe and respectful workplaces for all staff?

Education Support have put together a toolkit of resources for support and advice including how to recognise bullying at work, what to do if it's happening to you, and how schools and colleges can create workplaces where the wellbeing of staff is prioritised.
