

Travel for Life weekly webinars

04 Nov 2024

In support of safer, more sustainable school travel, Transport for London (TfL) is running weekly webinars designed to empower school travel champions with the tools and guidance needed to implement effective travel initiatives at their schools.

What the webinars offer

- planning core activities throughout the year: Each session guides champions through the main TfL Travel for Life activities, helping to build a calendar of events that drive impactful change.
- running a TfL explorers ambassadors team: Create and manage an ambassadors team to foster leadership skills and enthusiasm among students.
- maximizing big events: Learn how to get the most from larger events like Walk to School Month and Car Free Day, which are instrumental in building momentum for sustainable travel efforts.
- submitting your application: Detailed support is available on how to complete and submit accreditation applications, helping your school achieve recognition for its efforts.
- drop-in troubleshooting sessions: TfL offers dedicated troubleshooting sessions to help with specific challenges, providing a flexible way for School Travel Champions to stay on track.

When and how to join

The webinars are held weekly at two times to allow flexibility

- Wednesdays: 3.30 - 4pm
- Thursdays: 12.30 - 1pm

Book your place here: [Support for schools taking part in TfL Travel for Life - Travel for Life](#)

School travel champions can also sign up for other upcoming dates through TfL's [Calendar of events](#) allowing them to register for free and plan ahead.

Get started with TfL Travel for Life

Getting involved is easy. For additional information or to have specific questions answered, School Travel Champions can reach out directly to the TfL Travel for Life team at travelforlife@tfl.gov.uk.

The TfL Travel for Life webinars offer valuable support for School Travel Champions committed to promoting safe and sustainable travel. Whether you're just beginning or building on existing initiatives, these webinars are an excellent resource to help you succeed in making positive changes at your school.
