New grant programme launched to raise awareness of the HPV vaccine

06 Dec 2024

RM Partners, North West, and South West London Cancer Alliance, is launching a grant programme offering up to £500 to local community and voluntary groups, including schools, working in North West and South West London.

During these events, they would like schools to share messaging and awareness of the HPV Vaccine (amongst eligible cohorts) and will provide you with all the resources to support this, including an online training session to be held in January 2025. This programme is part of their cancer prevention strategy.

Types of events

They are open to ideas about different types of events or activities. Types of events you could run include:

- football tournaments
- yoga sessions
- coffee and tea mornings
- meditation hours
- exercise classes
- arts and crafts, and more.

Any events or activities you plan will need to take place between 3 February and 18 April 2025.
