

Emotional-based school absence parent survey

12 Jan 2025

Action for schools: Please share survey with parents of children struggling with school attendance.

We need to understand things from a parent's perspective and invite them to share their insights - which will remain anonymous - through the emotional-based school absence parent survey.

Complete the short survey here: <https://www.surveymonkey.com/r/EBSAParent2024>

Or scan the QR code in the flyer under downloads.

Their input will help us understand challenges, concerns and best practices so that we can use their feedback to shape future support for their child, your school and all parents that need or want support across the borough.

The survey closes 14 February 2025.

Thank you for your support.
