19 Feb 2025

Your school's KS4/GCSE report 2023/2024 is now available to download from your [EGfL school reports page](#) (when logged in). These reports use the provisional DfE data made available to the LA at the very end of last year - later than normal.

About the reports

Key measures include Progress 8, Attainment 8 and average points score data. A full summary of the structure of the report and the current KS4 landscape can be found in the foreword.

KS4 Annex A - a pupil summary sourced from NOVA (NCER reporting) - will also be uploaded when available.

We hope you find this report useful and welcome your queries and comments (contact details below).
