

Early transfer form (primary to secondary) 2025-26

29 May 2025

As a reminder, this version 1.0 report will be updated over the summer to include key stage 2 assessment data.

Furthermore, your school's final Year 7 pupil intake may change over the next few months and any admission changes will also be reflected in the next version of the ETF. We will match as much contextual information as possible ahead of version 2.0.

We have added a small notes section in the incidence of obtaining additional information directly from primary school staff.
