

New Gen Festival: Wednesday 30 July 2025 - music, dance and creativity

28 May 2025

Action for schools: Please promote to students and families.

New Gen is a festival of music, dance, and creativity by and for youth taking place in Walpole Park in Ealing this summer on **Wednesday 30 July 2025, 2pm to 9.30pm**.

This is the fourth year running we have been running New Gen, and every year we learn something and try something new to help us provide a platform for the next generation of talent.

Festival programme

This year we are very excited about our mainstage programme.

Ren Renatus, a music producer who helped launch the careers of Jamal Edwards and Fumez the Engineer, is helping us put together a dynamic programme that captures the energy of TikTokers, cyphers, DJs, headliners, and emerging artists.

New Gen will also be hosting:

- Battle of the Boroughs dance battles
- Music and spoken word open mics and jams on the Amplify Stage
- Young designers and entrepreneurs in the Youth Market
- Food & drink, creative drop-ins, and beanbags in the Mind Zone.

Further programme details to be confirmed - watch this space!
