

Specialist resourced provision (SRP) proposal at Lady Margaret Primary

12 May 2025

School governors and Ealing Council want to hear your views about the development of a specialist resourced provision (SRP) at Lady Margaret Primary school.

Full details on the proposal can be found in the [Lady Margaret SRP consultation document](#)

Proposed provision

The provision will be for up to 36 children with an Education Health and Care Plan with with Autism / speech, language and communication and associated learning needs.

A small number of children and young people with an Education, Health and Care Plan may require a high level of specialist support for which this type of provision can meet their needs and support them to make good progress .

Depending on individual needs, pupils would spend the majority of their time in the specialist classrooms, and some of their time in mainstream classes and activities where appropriate to their needs, supported by specialist staff.

The council is committed to further developing inclusive education for all pupils in Ealing. Lady Margaret Primary School governors support this goal. The establishment of a SRP is a central part of the drive to develop a more inclusive education for all pupils, including those with Special Educational Needs and / or Disabilities (SEND).

How to have your say

Please have your say on the proposal by:

- [Completing the online consultation questionnaire](#) or
- Writing to headteacher at SRP Consultation, Lady Margaret Primary School, Lady Margaret Road, Southall UB1 2NH

A paper copy of the questionnaire is available at the school office.

Meeting

You can also attend a meeting at the school to find out more and ask any questions. Meetings will be held at 9am and 6pm on **3 June 2025**.

A separate consultation meeting will be held **with staff on 3 June 2025**.

The consultation closes on **Monday 16 June 2025**.
